Free Surgical Kit Offer

Included Items:
Surgical Kit includes all instrumentation needed for placement of all KAT Implants (2.5–6.5 mm two-piece implants, as well as one-piece implants). All restorative instrumentation, for the exception of the Placement and Removal Screws which are used for Open Tray procedure and Implant Level frame-work fabrication, is also included. The Torque Wrench is not included in this offer.

Minimum Order Requirement:
Must be a new customer.
Purchase of 30 regular size (3.5–6.5mm diameters) implants (for a total fee of $4,860) is required in order to receive a Free Surgical Kit.
